

Cook Defence Systems

FV430 TR15 202 Single Pin

Cook Defence Systems is a world leading authority in the design, development and manufacture of track systems and running gear for armoured fighting vehicles.

For over 70 years we have delivered innovative track solutions with exceptional performance for the toughest environments.

Our comprehensive range of single and double pin track systems is deployed and battle-proven on armoured vehicles around the world.

Our products are underpinned by state-of-the-art research and development, rigorous testing and ISO9001 quality assurance.

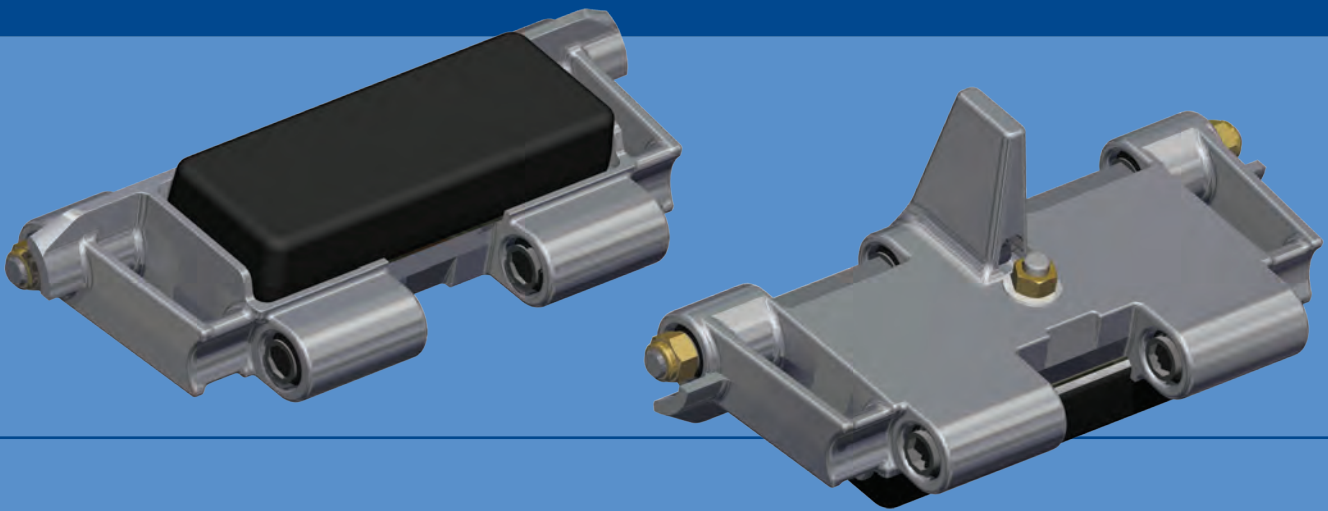

- **Original Equipment Manufacturer**
- **Sole approved supplier**
- **Track, sprockets, road wheels, top rollers and idlers**

a World Class Company

Cook Defence Systems

FV430 TR15 202 Single Pin

- High-integrity cast steel construction for strength and survivability
- Large-footprint polymer road pad delivers excellent durability
- Radiographic inspection ensures reliability
- Low-weight design increases vehicle capability
- Simple track pin and road pad locking systems require minimal maintenance

The TR15 202 single pin track for the FV430 Armoured Personnel Carrier has been in production for longer than any other Cook Defence Systems track.

The TR15 202 is the **only approved track** for FV430, it has been fitted to all variants **since the vehicle entered production** and has been proven against multiple mission criteria.

Cook Defence Systems also offers its TR20 304 double pin track to cope with the increased weight of vehicles upgraded to Bulldog standard. The TR20 304 is also suitable for the M113 Armoured Personnel Carrier.

Nothing contained within this document, explicit or implied is intended to extend the warranty or performance of the product. Cook Defence Systems is a continual improvement company and product details may vary from time to time.
