

Cook Defence Systems

CVR(T) TR10 201 Single Pin Integral Pad

Cook Defence Systems is a world leading authority in the design, development and manufacture of track systems and running gear for armoured fighting vehicles.

For over 70 years we have delivered innovative track solutions with exceptional performance for the toughest environments.

Our comprehensive range of single and double pin track systems is deployed and battle-proven on armoured vehicles around the world.

Our products are underpinned by state-of-the-art research and development, rigorous testing and ISO9001 quality assurance.

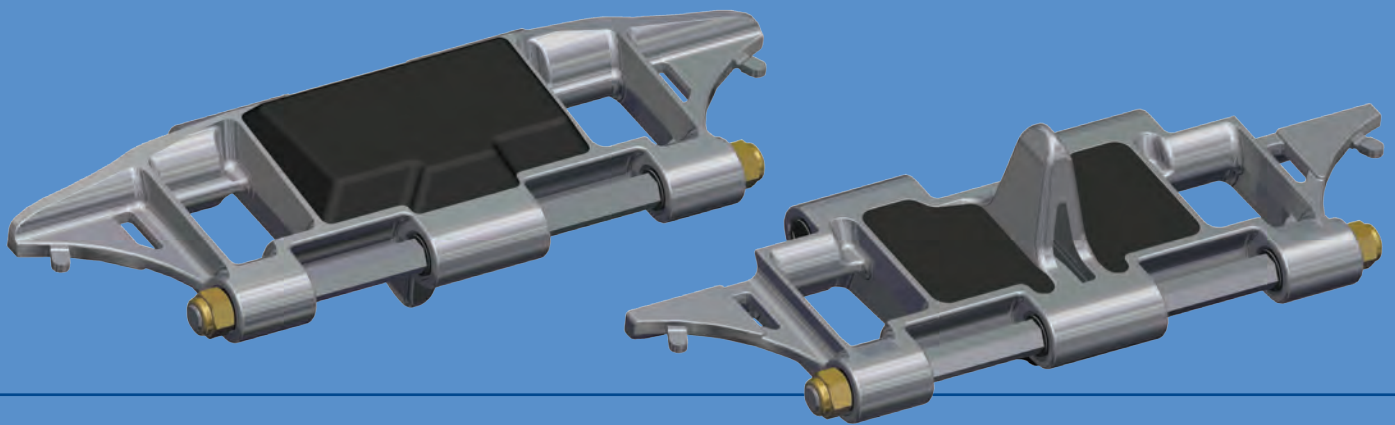

- **Original Equipment Manufacturer**
- **Sole approved supplier**
- **Track, sprockets, road wheels, top rollers and idlers**

a World Class Company

Cook Defence Systems

CVR(T) TR10 201 Single Pin Integral Pad

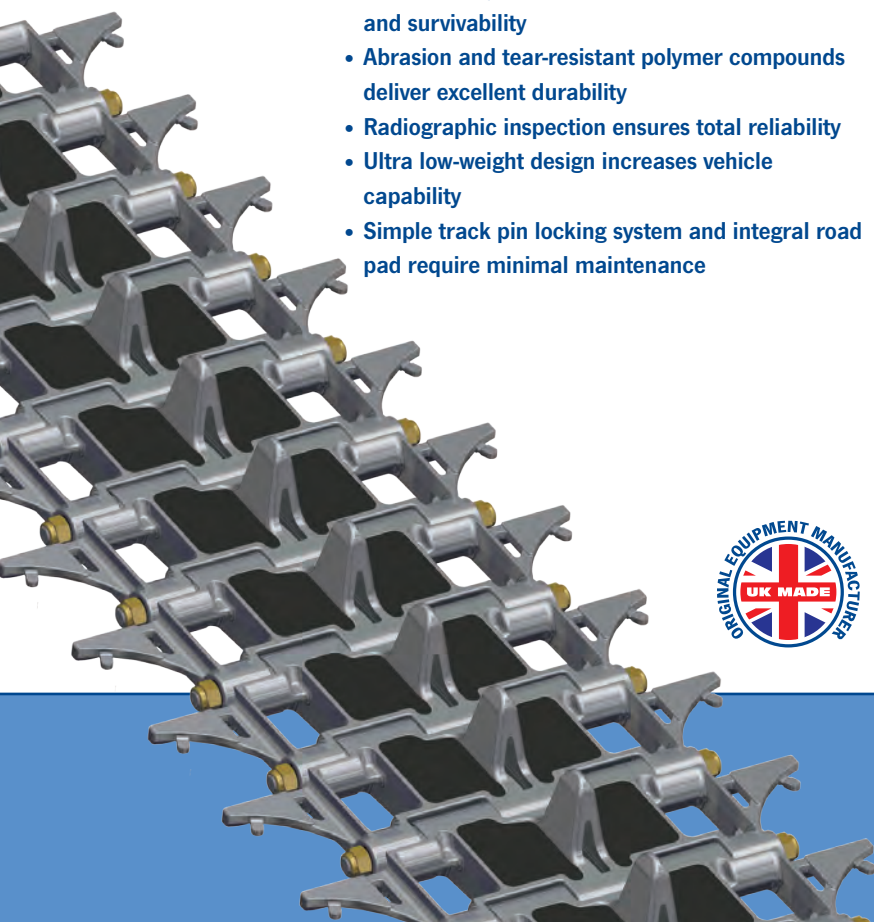

- High-integrity cast steel construction for strength and survivability
- Abrasion and tear-resistant polymer compounds deliver excellent durability
- Radiographic inspection ensures total reliability
- Ultra low-weight design increases vehicle capability
- Simple track pin locking system and integral road pad require minimal maintenance

Cook Defence Systems supplies the TR10 201 single pin integral pad link in higher volumes than any other track system.

The track has been in use on all variants of CVR(T) **since the vehicle came into service** and has been proven against multiple mission criteria.

As the **Original Equipment Manufacturer**, Cook Defence Systems is the only supplier of this track to have been **approved by the vehicle design authority**.

Nothing contained within this document, explicit or implied is intended to extend the warranty or performance of the product. Cook Defence Systems is a continual improvement company and product details may vary from time to time.
